### **Job Description:**

Francis Parker School seeks an enthusiastic, dedicated and passionate teacher to teach Percussion in our Performing Arts Department.

The Middle School, which includes grades 6-8 and enrolls 300+ students, is a lively and dynamic place. True to the vision of the school's namesake, Colonel Francis W. Parker, the Middle School emphasizes the importance of learning through doing. A rigorous curriculum guided by a passionate and caring faculty nurtures in students a lifelong love of learning.

Percussion class is intended for students who enjoy music, but would like to try something outside an instrument they already play, for students interested in a percussion ensemble, or for students who have no prior musical experience. Students will learn the fundamentals for playing most percussion instruments, with sticking technique exercises, and using their hands to play the instruments. They will learn the basics of rhythmic notation, how to count simple and complex rhythms, be introduced to a broad repertoire of percussion instruments and music including drum set basics, and how to play in an ensemble. The group has regular concerts during the course of the year.
