## **Clinical Counselor (Upper School)**

### **About Francis Parker School:**

Francis Parker School is a coeducational independent day school in San Diego, California with 1315 students in grades JK-12. Founded in 1912, the school's mission is "to create and inspire a diverse community of independent thinkers whose academic excellence, global perspective and strength of character prepare them to make a meaningful difference in the world." Francis Parker School has two campuses in close proximity. One in Mission Hills (Lower School JK-5), and a second in Linda Vista (Middle and Upper School 6-8 and 9-12, respectively).

### **Job Description:**

The Clinical Counselor will provide counseling services, consultation and behavioral wellness-related programming to the Upper School division as part of the Student Support Team. Parker is seeking candidates with experience as a psychologist, social worker, school social worker, or as a counselor/therapist with children and families.

### **Essential Duties/Responsibilities:**

- Clinical consultation regarding behavioral, social and emotional concerns of students consistent with the mission of the School
- Collaborate with parents, Parker staff and community health care providers to support social, emotional and behavioral needs of students
- Primary service provider of counseling and intervention services to students (Grades 9-12)
- Administer, score, interpret and prepare feedback using emotional-behavioral rating scales for Upper School students
- Conduct classroom observations and coordinate with teachers to implement intervention strategies
- Partner with Upper School Learning Specialist to monitor progress of students with identified needs
- Provide community referrals for counseling and intervention services, as needed
- Collaborate with DEIB team to advance diversity, equity and inclusion within the Upper School division
- Contribute to the development and implementation of developmentally appropriate character education programming in Upper School division
- Collaborate with staff to develop life skills and health curriculum programming for Upper School that is aligned with Lower and Middle School divisions
- Explore, develop and assist with implementation of deeper curricular integration of diversity, mental health, social and emotional issues in collaboration with faculty and divisional leadership
- Maintain records and all required documentation of student contacts and services
