

FRANCIS PARKER SCHOOL

GIFT ACCEPTANCE POLICY

PREAMBLE

The mission of Francis Parker School is to create and inspire a diverse community of independent thinkers whose academic excellence, global perspective, and strength of character prepare them to make a meaningful difference in the world.

Francis Parker School (Parker or School) is committed to providing the necessary support to ensure that each student's educational experience is truly reflective of Parker's mission and values. To this end, Parker encourages philanthropic support from the entire Parker community and seeks to foster a culture of giving. Every donor and gift, no matter the size of the gift, is critical to ensuring that Parker fulfills its commitment to students both now and in the future. Thank you in advance for your support.

The Gift Acceptance Policy (GAP) was created and approved by the Parker Board of Trustees (Board) in 2013, with the assistance of the Board's Development Review Committee (DRC) and Parker's Advancement Office (Office). The Board and/or DRC are responsible for approving and/or making exceptions to the GAP.

The purpose of the GAP, set forth below, is to provide guidance to donors and those individuals at Parker who are involved with the planning, solicitation, acceptance, and stewardship of philanthropic gifts. In order for Parker to ensure the highest standards of conduct for fair, accurate, and ethical fundraising, the GAP applies to all gifts. There will undoubtedly be donor or gift situations that are not contemplated by the GAP, which will require special review by the Office, DRC and/or the Board. We highly encourage donors who are contemplating a gift to Parker to contact the Office prior to making the gift. In all circumstances, Parker will act in a manner that honors its mission and meets or exceeds industry practices for proper stewardship and ethical behavior.

Parker encourages prospective donors to seek independent legal, accounting, tax, and other professional counsel in all matters relating to their philanthropic giving, including but not limited to issues regarding income or transfer-tax planning. Parker does not provide such counsel.
